

Action4 the Blind

Our Thank You to You

A little glimpse into Support Eye Care Foundation appreciating the staff at Action4 the blind

12 December 2025

What a heartwarming day. We had the joy of visiting our friends at Action for the Blind in Roodepoort, carrying with us a feeling of deep gratitude.

We especially wanted to thank the incredible staff; not only for their wonderful work but for the powerful example they set every day. In guiding students toward a brighter future, they themselves shine so brightly, turning life's challenges into stepping stones for others. Their dedication is truly inspiring.

To express our appreciation for all the great work they've done this year, we brought a little gift for the team. Seeing how appreciative they were for the gesture made the day even more special. It was a beautiful reminder of the simple, powerful joy found in saying "thank you."

What a special way to end the year. Our visit to Action for the Blind in Roodepoort was filled with joy. To thank their incredible staff, we brought assorted biscuits to lift their spirits, along with personalised Support Eye Care Foundation t-shirts and a lunch bag for each of the ten team members to welcome them back next year.

Witnessing their warm and genuine delight as they received the gifts was truly heartwarming. After working alongside this dedicated team all year, we are so grateful for their partnership and thrilled we could share this moment of appreciation. Our hearts are full.

Thank you letter from Action 4 the blind

Dear Mrs Mhlongacala

RE: **YOUR CONTRIBUTION OF CHRISTMAS GIFTS FOR THE ACTION STAFF RECEIVED ON 12/12/2025**

Action for Blind and Disabled Children wish to thank you for your contribution to our cause and express our heartfelt gratitude to all the Members and Stakeholders of your organisation that have made this possible through your hard work and commitment in making a significant difference to this challenged sector of our Society.

Furthermore; we would again like to extend an open invite to yourself and colleagues to visit our operation for an experience that should remain with you for some time as you witness the dedication and courage displayed by our facilitators and students alike set on alleviating the severe challenges faced daily by our fellow citizens living with disability; thereby also ensuring that you and your company remain proud to be members of a family that continually exceed their objectives with a high sense of achievement by those serving and the served.

Action for Blind and Disabled Children offer Microsoft Digital Literacy Skills to this Marginalized Sector of our community at **No Cost** to our learners. This is only one of the Highly Advanced Skills facilitated at Action, which is made possible by people like you.

I hereby confirm that 100% of the value of the donation was used for the sustainable economic development of more than 75% of the Black individuals (ACI) in terms of the Codes of Good Practice.

Looking forward to your continued support and hope to see you soon...thank you sincerely.

Yours thankfully,
Elsie Botha, Senior Fundraiser/Office Manager
Ian Bottomley, Treasurer
Staff and especially the students of Action for Blind and Disabled children
